

Soilfloc® 30EVT

EFFERVESCENT DUST CONTROL TABLETS

Soilfloc® 30EVT tablets are a great temporary dust control solution when added to a water truck!

Simply add 7-15 tablets to a 2000 gallon water truck before spraying and keep the ground wetter longer, cutting your water truck trips up to 50%.

Product Description:

Soilfloc® 30EVT is an effervescent water-soluble, linear polyacrylamide (PAM) tablet that readily dissolves in water to provide a homogeneous mixture with very little agitation.
